For Sale

INNOVATION SPRINGS
At Conservancy Place

Innovation Springs

IS East Central Development Area

This parcel offers three fully developed lots ready for building construction. This parcel is located at the intersection of the main entrance to the development with exposure to some of the highest traffic counts within Conservancy Place. This site has development flexibility with both commercial and attached residential uses allowed. This parcel is located within the Village of DeForest Tax Increment District #5 and building development assistance may be available, subject to Village approval.

Map includes existing and conceptual future roads.
